

# Arctic Adventure: Write & Ask

Explore the Arctic, One Animal at a Time!

# Directions: Arctic Adventure – Write and Ask

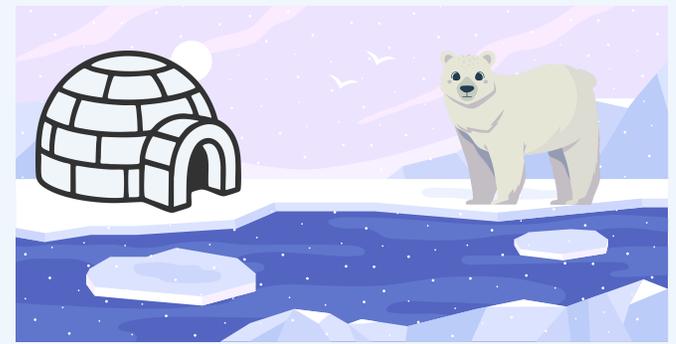

1. Choose an Arctic Animal
2. Find facts about your animal, including:
  - Where it lives
  - What it eats
  - How it survives the cold
  - Interesting or unique facts
3. Write Informational Text
4. Use complete sentences to write a short paragraph about your animal. Make sure your writing is clear and organized.
5. Create Questions
6. Write 3–5 questions about your animal for someone else to answer. These should be based on the facts you included.
  - Example: “What does a polar bear eat?”
  - Example: “How does an arctic fox stay warm?”
7. Share and Discuss
8. Exchange your text and questions with a partner or group. Take turns answering each other’s questions.

## Goals:

- Practice writing informational text
- Use complete sentences and facts
- Practice asking and answering questions
- Build research and communication skills
